What does ESN CU Prague do?

BUDDY PROGRAMME

Buddy programme

- The Buddy Programme is one of the core activities of ESN CU Prague. The idea is to match international with local students at the beginning of the semester, and encourage them to meet, laugh, talk, listen, and participate in whatever activities they wish. By doing this, an important information resource is created for both parties; the international students get support and help, and the locals have an opportunity to practise foreign languages.
