## *General Assembly of FSV UK PhD Students*

Just connect [here](#) in the time specified above.

Our Dean Tomáš Karásek presents and moderates. Jakub Šindelář from the ČAD - the Czech Association of Doctoral Students gives you information about current ČAD topics.

## *Open Doors for FSV UK Master Students Interested in PhD Studies*

Are you a FSV UK Master Student considering continuation of your studies at our faculty on the PhD level? For detailed information about our PhD study programmes and admission procedure, just connect [here](#) in the time specified above.

## *Seminar: Young Science at FSV: State and Perspective*

Ms. Horníčková from the Research Office of our Faculty presents and moderates this seminar. Just connect [here](#) in the time specified above.

## *Research Presentation Competition*

**Cancelled -**

Condition for realization: „At least five applicants from at least 2 PhD study programmes“ has not been met.

# *Seminar: How to Avoid Breaking of Charles University Code of Ethics*

## **Moved to the Welcome Week next September –**

I do this seminar myself but I am to undergo some surgery this Friday and I will not be in a good shape to do it next week.

Enjoy the "Days of Young Science 2022".

Best Regards

Tomas Cahlik

Vice-Dean for PhD studies
