English Language Requirements

It is assumed that applicants have a sufficient knowledge of English to attend classes and to write papers in the English language. Students who are **not native speakers** may be asked to demonstrate their ability to study in English, e.g. by presenting the results of any language tests they have taken. Although we welcome TOEFL and IELTS, they are not necessarily a condition of entry. A real ability to study in English is more important.

Orientation Week

The Faculty of Social Sciences regularly runs an Orientation Program in both winter and summer semester. This program is designed especially for incoming students in order to take care of many of the practical arrangements related to studies (registration, student travel passes, access to Charles University libraries, etc.).

Terms	<p>Winter Semester: 26 - 30 September 2022 Summer Semester: 6 - 10 February 2023</p>
International Students Club - ESN CU Prague	<p>Members of the International Club meet incoming students during the Orientation Week and guide them around not only through the necessary academic arrangements but also run the “buddy program”, excursions, and other social events.</p>

Subjects Taught in English

The Faculty of Social Sciences of Charles University has 5 institutes:

- Institute of Political Studies
- Institute of International Studies
- Institute of Economic Studies
- Institute of Sociological Studies
- Institute of Communication Studies and Journalism

The faculty has a wide selection of subjects taught in English in Political Science, International Relations and Economics & Finance. All nominated students will receive a [list of courses](#) taught in English available to our and international students.

Since the agreement between our universities is intended for studies in the field of the institutes, your nominated students are required to choose at least 51% of their classes from the assigned institute.

Registration for Classes

Students can enrol in both Bachelor's and Master's degree courses regardless of their academic level. However, the list of the chosen subjects has to be selected carefully and approved by the student's home university.

Student Information System (SIS)	This search engine is the best source of information about classes, and it also includes information about the student's status and results. SIS can be accessed under this link.
Note	<ul style="list-style-type: none">❖ SIS includes information about classes from all the Faculties at Charles University, taught in all languages. Students have to choose "Faculty of Social Sciences" from the drop-down box, as class has to be chosen "courses for incoming students" and always double-check the language of instruction and the actual semester in the course description.❖ Students have to pay attention to the last letter of the subject code. "B" at the end of the subject code refers to the subject taught at the Bachelor's level. "M" stands for the Master's level.❖ Students should take at least half of the courses with the Faculty of Social Sciences.❖ Students can enrol in courses in total of 30 ECTS.
Link	Under the following link you will find instructions on how to find an appropriate list of classes, how our class codes work, and how to distinguish between graded and non-graded classes: https://fsv.cuni.cz/en/exchange/life/academic-information

Czech Language Classes

We offer [Czech language classes](#) at various levels, from Beginners to Upper Intermediate. Incoming students are welcome to register for these. However, we must point out that, because these classes are not part of the standard curriculum, they are not financed by the Czech Ministry of Education. We therefore have to make a small charge to cover our costs.

Exam Period & Transcripts of Records

Exam Period in Winter Semester: Mid January - Mid February 2023

Exam Period in Summer Semester: Mid May - 30 June 2023

Academic Transcripts will be provided by the International Office when all study requirements have been completed and **upon request only**. Students need to ask for their Transcript of Records at exchange@fsv.cuni.cz.

Housing

Erasmus students are welcome to apply for accommodation in Charles University – Halls of Residence, the online application form includes a housing option.
