Academics

5. Orientation Dates

A week-long orientation for new students takes place before the Fall term begins. Also, a shorter orientation for new students takes place before the Winter and Spring terms begin. We strongly recommend that you attend the orientation.

6. Workload of Exchange Students

An incoming exchange student must take a minimum of 2 credits per term, but normally must not exceed 12 credits per term. If you need to take more than 12 credits in order to fulfil the degree requirements at your home institution, you may exceed this ceiling.

7. Credit System

One classroom session lasts 90 minutes at IUJ.

➤Content Courses (Non-language Courses):

One credit is given to a content course where 12 hours of classroom studies are conducted. (Eight 90-minute sessions in total).

➤Japanese Language Courses :

One credit is given to a Japanese language course where at least 45 hours of classroom studies are conducted. However, classroom study hours designated for each one-credit Japanese language course vary according to the desired language ability level to which students are expected to reach within the designated period of time. For example, an Advanced-level course requires 45 hours of classroom studies while an Elementary course requires 65 classroom hours. A half credit (0.5) is given to a Japanese course that requires less than 45 classroom hours. For example, Basic 1, 2 and 3 require 38 classroom hours. Basic 4, 5, 6, 7, 8 and 9 require 26 classroom hours.

Student Life

13. Housing And Internet Connection From The Dorm Room:

<Dormitory Information>

On-Campus Housing is available. An exchange student will be assigned a room in one of the Student Dormitories. Usually, it is quite difficult to find an accommodation for a short period near the school and it is very costly.

On our campus, we have three student dormitories, called Student Dormitory 1, 2 and 3 (SD1, 2 and 3). All exchange students are accommodated in one of these.

The dorm buildings are situated close together. They are all within a 2 minutes' walk of each other. The dorm room fee is the same for all the buildings (39,000/month).

Both cable LAN connection and wireless LAN connection services are available for free in the dormitories.

If you would like to know about computing services at IUJ, please refer to the following URL: www.iuj.ac.jp/cs/

Insurance & Visa

16. Health Insurance

It is compulsory for IUJ exchange students to join National Health Insurance (NHI) upon entrance to IUJ (unless you are covered by another Japanese insurance plan, such as through your company). Without signing up for this insurance, medical expense can be costly. It becomes especially important if you become seriously ill or need to be hospitalized. By becoming a member of NHI, you need to bear only 30 percent of the claimable medical treatment costs at the clinic or hospital (not include car accident injury). The premium for NHI is about 5,000 yen per term (approximate 4,000 yen for a winter or a spring term, approximate 5,500 yen for a fall term).

NHI does not cover medical treatment for injuries incurred from car accidents, medical treatment for injuries to other people and compensation for property damage. Therefore, we strongly suggest that you will enter travel insurance before you leave your countries which will cover unforeseeable expenses during your stay.

17. Visa

A student must obtain a student visa. We will apply for your Certificate of Eligibility (CoE) at the immigration office and send it to you once it is issued. You will apply for your visa with the CoE at the Japanese Embassy or Consulate in your country that has jurisdiction over your home address.
