Admission Requirements

Among the conditions and controls for accepting non-Saudi international students for all levels of study are as follows:

1. The student should not be less than (17) years old and not more than (25) years for the undergraduate and institute for teaching Arabic language or the equivalent, (30) years for the master's degree, and (35) years for the doctoral degree.
2. That the government of the student's country approves the study in the Kingdom for countries that require it Non-Saudi students.
3. The student should not have obtained another scholarship from an educational institution in the Kingdom.
4. To attest certificates and supporting papers from the competent authorities specified by the educational institution.
5. To present a certificate of absence of precedents from the security services in his country.
6. He should not be dismissed from one of the educational institutions in the Kingdom
7. To pass the medical examination determined by the regulations and instructions.

Types Of Scholarships:

Governmental scholarships for international students are of two categories:

- ✿ Internal scholarships for non-Saudi students residing in the Kingdom with a legal residency.
- ✿ External scholarships for non-Saudi students from outside the Kingdom.

There are several types of scholarship in Saudi governmental universities according to their different advantages:

- ✿ Free scholarships in which the student gets full benefits.
- ✿ Partial scholarships in which the student gets some benefits, as the educational institution is entitled to offer some benefits to the student, such as a seat only, or a seat and housing, that is less than the full free scholarship.
- ✿ Fully paid scholarship.

Studying In Saudi Arabia as a special education

If you are one of the truly distinguished students, there are many reasons that invite you to study in the Kingdom of Saudi Arabia, including:

- ✿ Saudi universities are distinguished by their scientific advancement, as a number of Saudi universities fall within the ranking of the best universities in the world.
- ✿ Saudi universities have an excellent environment for scientific research due to their advanced research centers.
- ✿ The educational and cultural environment varies in Saudi universities, as distinguished students from more than 200 countries around the world study in Saudi universities.
- ✿ The Kingdom of Saudi Arabia provides excellent sponsorship for scholarship students for international students free of charge and without tuition fees and with many other advantages.

Advantages Of External Scholarships:

There are advantages and incentives that a student accepted to study in the Kingdom of Saudi Arabia can obtain, including:

- ✿ Health care for him and his family members if they are brought in to reside with him, if the regulations require that.
- ✿ Activities for students and entertainments
- ✿ Free of charge housing.
- ✿ Allowances and financial rewards.
- ✿ Training programs.
- ✿ Annual travel tickets
- ✿ Social care

Study languages and allowances:

Study languages:

- ✿ Theoretical studies are taught in Arabic language, with a program to learn Arabic before joining the educational stage.
- ✿ Scientific studies are taught in English language.

Allowances:

Students in theoretical majors are granted: 850 SR/month, and scientific disciplines: 900 SR/month, in addition to disbursing an allowance for furnishing upon the student's arrival equivalent to 3 months allowance in addition to 3 months allowance for graduation.

Applying To Study In Saudi Universities

In order to facilitate the procedures and apply for the study application in the Kingdom's governmental universities, you can apply by entering the website of the university you want to apply for to study, where students can apply for all available specializations - except for health and medical specialties - for its post-secondary stage, and the study is for all university levels To study (Diploma in Arabic for non-native speakers - Bachelor - Higher Diploma - Masters - PhD) for whom the conditions and admission controls apply. The applicant can enter the university he wishes to study in and get acquainted with its special conditions and requirements through the university.
