

Student mobility in Summer Semester 2021/22 via inter-faculty and inter-university agreements

The application can be submitted from 12 April to 10 May, 2021, 23:59.

An application after this term will not be accepted.

The list of free spots via inter-university agreements is available [here](#).

The list of free spots via inter-faculty agreements is available [here](#).

Student can submit up to two applications. It is necessary to mention which partner university is the priority. (Student will state it in the email when submitting the applications.)

When applying for mobility via inter-faculty agreement a student follows the instructions [here](#). (The application together with all the required attachments will be submitted as a single pdf file. Individual documents can be merged into a single pdf file [here](#).)

When applying for mobility via inter-university agreement a student follows the instructions [here](#).

Forms (required attachments):

Preliminary study plan, must be used a form that could be downloaded from the webpage mentioned above.

Consent to the processing of my personal data to be downloaded from the webpage mentioned above.
