Rules for testing:

Testing before starting the travel to the Czech Republic:

- 1) PCR no older than 72 hours
- 2) antigen no older than 48 hours

Testing after arrival to the Czech Republic - within 5 days after arrival from **green** and **orange** countries and 5th day after arrival from a **red** or **dark red** country at the earliest

Self-isolation - until receiving a negative result of a test undergone in the Czech Republic

This map is valid for the week 13-19.9. Up to date information available [here](#)

If you don't see your country on the map/[list](#), it has to be considered as a country with a very high risk of Covid-19 transmission.

EXCEPTIONS

NO testing - NO restrictions

But you still need to fill the [arrival form](#) before starting the travel!

VACCINATED PERSONS / PERSONS WHO HAD COVID-19 IN THE LAST 180 DAYS

14 days after the application of the last dose - according to these rules:

Vaccinated in the EU+

It is necessary to have an [EU digital COVID certificate](#)

Vaccinated outside of the EU+

It is necessary to have a written confirmation in accordance with the EU regulations; only vaccinations authorized by EMA ([4 main vaccinations](#) + Covishield) and administered in [one of these countries](#) are accepted.

CURRENT MEASURES AGAINST THE SPREAD OF COVID-19

- **Respirators (N95, FFP2) are compulsory** in all buildings, on public transport, at public transportation stops and waiting rooms.
- **Shops, cinemas, restaurants, services, gyms are open.** But ...
- ... only people who have an [EU digital COVID certificate](#) (vaccination, recovery in the last 180 days) can enter restaurants, services or cultural events etc. without any restrictions, otherwise you need a negative test result (**antigen test - not older than 72 hrs , PCR test - not older than 7 days**).
- It is possible to register for [a vaccine against COVID-19](#) in the Czech Republic.
