(26) From archaeological evidence, we know that the Egyptians were highly organized, civilized, and skillfully in using crafts. (27) For example, the Egyptians may used copper as early as 5,000 years before Christ. (28) All Middle East people believed in life after death, but the Egyptians of ages past carried this idea further than any ancient civilization. (29) Not only did the Egyptians preserve the dead bodies of important people, but they also buried with the dead person every which object he might possibly use in an afterlife. (30) The funerals of Egyptian rulers were spectacular - while in Mesopotamia kings were regarded as the servants of the gods, in Egypt the pharaoh was thought he was divine.
