

Erasmus+ practical placements – Travel insurance

The Faculty of Social Sciences has negotiated for its students going to practical placements within the Erasmus + programme - **Travel Insurance Travel 4 Business, Comfort program, Europe Zone**.

For details see General insurance conditions (In a different way, the provisions of Article 9 have been changed - interpretation of terms: - Insured person - according to the contract the natural person who is a regular student of FSV UK at the time of the insured event).

The travel insurance includes both medical expenses insurance and liability insurance - damage to health and to things + other - see Terms. (with a participation of CZK 5,000). For other limits, see General Premiums terms.

The insurance is valid for a maximum stay of 90 days.

The procedure for an insured event is as follows:

- 1) If possible, contact the helpdesk by phone.
- 2) Adhere to the instructions of the assistance service during the settlement of the insured event.
- 3) If the insured event has not been reported by phone, you must report this event in writing or by e-mail, and follow the instructions of the assistance service.

Each student enrolled in FSV UK for a practical placement of up to 3 months under the Erasmus + program will obtain a insurance card with a basic data of insurance and a contact to the helpdesk. The student will receive the insurance card together with final email confirming the practical placement by the International Office.
